HON JOHN CAREY MLA
MINISTER FOR PLANNING AND LANDS

PART 11B APPLICATION FOR SIGNIFICANT DEVELOPMENT - HOLCIM (AUSTRALIA) PTY LTD - REQUEST FOR AUTHORISATION

On 17 January 2025, Holcim (Australia) Pty Ltd (Holcim) requested my authorisation, under Part 11B of the Planning and Development Act 2005 (PD Act), to lodge a development application for an upgrade to an existing concrete batching plant at Lot 310 (No. 12) Cohn Street, Carlisle, in the Town of Victoria Park, for determination by the Western Australian Planning Commission.

I agree with your recommendation that the proposal raises issues of such State importance as to warrant determination under Part 11B of the PD Act on the basis that an uninterrupted supply of concrete is a vital component in delivering a variety of major projects in the Perth Central Business District and inner metropolitan area.

Therefore, in accordance with section 171M(3) of the PD Act, I give authorisation for the development application to be made and determined under Part 11B of the PD Act.

Yours sincerely

ROGER COOK MLA
PREMIER
