Viewing Region Schemes on the PlanWA mapping viewer

The best way to find out planning information, including Region Schemes, is to type your address of interest in the search bar. Select the correct address from the suggestions in the drop-down box.

₽	140 William <u>st</u> ,	Q	F
	140 William Street, PERTH 6000	R	s
	140 William Street, BECKENHAM 6107	₹	Tools
	140 William Street, EAST CARNARVON 6701	R	
	140 William Street, HERNE HILL 6056	⊾	
1. 1. 20 30	AS THE REAL PROPERTY OF	1	

Cadastral Parcels (land parcel boundaries) that meet the search criteria will be displayed in the results panel. Note: if there are multiple results from your address search, hover your mouse over the lot number to view it highlighted on the map.

Select the lot number you wish to view Region Scheme details.

Select "I want to..." and choose Change visible map layers.

Select a Theme and choose Planning Schemes.
