If yes, provide dates:

Summary of how the proposed amendment/s will/will not impact the SDRP's advice on this development.

If there are significant changes to the approved proposal or the materials and finishes, additional reviews by the SDRP may be required. The applicant acknowledges that SDRP fees may be required to be paid and will be charged according to the [Fee schedule – State Development Assessment Unit](#).

☐ Acknowledged

5. Additional information – Amend condition to extend specified period for substantial commencement

Please confirm that no other application seeking to extend the specified period for substantial commencement has been lodged or determined by the WAPC for the development that is subject to this application. (Section 279(6))

☐ Confirmed

Please summarise the reasons and context for the request to extend to specified period for substantial commencement including but not limited to addressing the following:

- whether modifications, regardless of the nature/extent, have occurred to the planning framework since the development approval was granted;
- whether the development is capable of approval; and
- whether the holder of the development approval has actively and relatively conscientiously pursued the implementation of the development approval.

* Detailed information to support the application must be attached separately to this form.

Please refer to the [State Development Assessment Unit – Guide For Applicants](#) for more information.
