### Notice to applicants – consent to the disclosure of information

In the interests of transparency, the agenda and minutes of meetings of the Western Australian Planning Commission may appear on the Department of Planning, Lands and Heritage website, which is a website that is available to the public. Accordingly, in signing this form, you acknowledge that except for information about your business, professional, personal or commercial and financial affairs, the information you have provided in support of your application may be placed on the website.

### Important information for applicants

1. Please read all of this form carefully. The application may not be accepted and will be returned to the applicant with the submitted fee if these requirements are incorrect or incomplete.
2. Applications for strata and leasehold (strata) subdivision require a fully completed form 15A with any additional information attached, the correct application fee, the subdivision plan and any supporting documentation.
3. The WAPC is responsible for determining applications for strata and leasehold (strata) subdivision under the *Planning and Development Act 2005* and *Strata Titles Act 1985*. The WAPC has delegated its power to determine built strata applications to all local governments, although it retains call in powers where the WAPC determines the type of development or land is within an area which is of state or regional significance. Applications are to be lodged with the local government except where an application proposes a leasehold (strata) plan, vacant strata lots or vacant air strata's in multi-tiered strata scheme developments. These applications are to be lodged with the WAPC. Further information is provided within the Strata – Form 15 Applications Fact Sheet
4. Where, in accordance with the notice of delegation, the WAPC has notified the local government in writing, or the local government has notified the WAPC in writing that the type of development and/or land is within an area which is of state or regional significance, the local government will forward the Form 15A application to the WAPC for determination.
5. The applicant must sign part 2. All landowners or an agent with written authority must sign part 3. Agents must provide written authority from the landowner.
6. The application fee must accord with the current schedule of fees.
7. Applicants must check that there are no restrictive covenants or easements applying to the land or if there are, attend to the resulting liabilities and obligations. The WAPC is only bound by the terms of restrictive covenants created under statute in favour of a public authority.
8. Applicants must state the application type, strata or leasehold (strata) subdivision, on part 6 of Form 15A. A separate application is required for each application type, strata or leasehold (strata) subdivision.
